

# TNT SPORTS ACADEMY, INC.

THE NEXT TIER

[REGISTRATION PACKAGE]

Dear Parent(s),

We are excited to have you join TNT Sports Academy! It is our desire for you to team with us in building your child's mental and physical strength while building on their athletic skills. TNT provides athletic training (basketball and football), mentoring and leadership opportunities throughout the year. Enclosed, you will find details on how each player is required to participate in events that support this method of athletic and individual development.

Our program's approach on teaching and development requires parent and child engagement. We believe this framework creates a commitment required for both child and parent to grow together.

## TNT FOCUS:

Providing young athletes with the opportunity to enhance their skills, while also becoming strong active members of their team and community. Our program will involve different tiers of learning, mentoring, cultivating individual players, teamwork and leadership skills. We believe coaching and the successes that come from it are a byproduct of athletes, families and the direct relationship with their mentors or coaches. Upon your coach's evaluation, TNT players will participate in changing competitive environments in both regional and national tournaments to challenge their personal and team leadership skills.

## TNT VALUES:

Our program values consist of Integrity, Leadership, Accountability, Athletic Skill and Community Service. TNT Staff, volunteers, parents and players are to be in alignment with these values.

## TNT MENTORING & LEADERSHIP TIERS:

Mentoring with basketball while building life skills allows the parent, child and coach to align with team or individual goals. It is our desire at TNT to enhance leadership in different areas to achieve individual and team goals set by each player at the start of each season. Each player is required to partner with a parent or mentor for one or more of their desired leadership tiers they would like to achieve. Each player that participates will receive a star for their shield given upon joining TNT. In this process, up to three stars is achievable.

## TIER STARS:

There are three stars that each player is challenged to achieve; Academic, Athletic and Active Community Leadership (AAA). The purpose of the Leadership Tiers is to instill TNT's values in each player. Once a star has been acquired, the player is not required to lead an additional effort in order to maintain their star. However, the player will be required to participate in one or more of the leadership tiers offered by another team member. All players will be evaluated throughout the season.

## Listed below are the descriptions of Tier 1-3

### TIER 3- Active Community Leadership (Integrity and Community Service)

**Player Athletic Club (PAC - TNT Student Body)** – Each player has the opportunity to campaign for leadership amongst their peers. The roles of President, Vice President, Secretary and Treasurer are available. The purpose of PAC is to create an opportunity lead amongst their peers and cultivate collaboration. Each player can campaign for a respective role each year. The members of the PAC will create their goals for the year to align with vision, mission and take part in the TNT Quarterly Board Meetings.
